PRICE LIST  
Spring 1931

---

**FOREWORD:** In presenting my annual price list, I wish to thank my many customers for their liberal patronage in the past and for the many expressions of praise and appreciation of my stock and service. I also invite the patronage of those receiving my list for the first time or those who have not heretofore favored me with an order. A trial order will make you a regular customer, as it has many others, I feel sure.

**GUARANTEE:** All stock is guaranteed to be healthy, true to name, and in good condition when shipped. No warranty is given, however, as to crop results, as growing conditions are beyond my control. If any stock bought from me is not entirely satisfactory when received, return it and your money will be refunded. Bulbs not blooming true to name will be liberally replaced. My customers **MUST** be satisfied.

**TERMS:** Cash with order, or 25% deposit, if order is over \$5.00. Balance C. O. D. if not paid at time of shipment.

All orders accepted subject to prior sale, or causes beyond my control.

I do not substitute varieties except on request, but, unless forbidden, will send equal value in size other than ordered when necessary.

**DISCOUNTS:** Single bulbs for one-tenth of the dozen price, but no item less than 5c; 6 at the dozen rate; 25 at the 100 rate. \*Starred items per hundred at 7 times the dozen price.

Six bulblets at the dozen rate; 50 at the 100 rate; 250 at the 1000 rate. For 1000 rate multiply 100 price by eight.

5% off for cash with order on orders of \$5.00 or more.

**EXTRAS:** Liberal count and a few more with every order. The larger your order the more you get.

Send me the names and addresses of your friends who grow Glads, and I will add something to your order for the trouble. Suggest what you would like to have and your wishes will be complied with, if stock is available.

**SHIPMENT:** Orders for \$1.00 or more will be sent prepaid, safe delivery guaranteed. On orders less than \$1.00 add 25c for postage. Orders for \$15.00 or more can be sent by express at any time; others as weather permits.

**SOCIETIES:** Join the American Gladiolus Society, a national organization devoted exclusively to the advancement of Glads. Dues \$2.00 per year, including subscription to the Gladiolus Review, the official publication of the society, published monthly. Send dues to Roscoe Huff, Secretary, Goshen, Indiana.

The Oregon Gladiolus Society, a state organization affiliated with the A. G. S. Dues \$1.50 per year for A. G. S. members; others \$2.50, including subscription to the Gladiolus Review. Send dues to L. C. Larson, Secretary, 186 West Winchell St., Portland, Oregon.

**MIXED BULBS:** For those who just want a few bulbs and haven't the time or inclination to bother with named varieties, I will make up special mixtures from regular stock as orders come in, using good, clean blooming size bulbs, the number of colors depending on the quantity ordered. Or, if you like, state colors preferred and I will do the rest. In either case, good value is assured.
